

What is Cleansing Stream?

Cleansing Stream, very simply and very clearly, walks you through a process of personal cleansing, and trains you in spiritual warfare. It equips you with tools and weapons you will need to use for the rest of your life.

We all come into God's kingdom with residue from our past - generational influences, things we've done, or things that have been done to us. The enemy takes every opportunity to use these things against us and tries to hold us back from the effective and fulfilled life that God has planned for us. Most of the time, we don't even realize what's going on.

You learn how to recognize these tactics of the enemy and identify the areas where he is influencing your thinking and your behavior. You learn how to release the things of your past to God and to submit yourself to Him, aligning your thinking and behavior with His Word. You learn about the authority God has given you over all the power of the enemy, how to take back your ground and then maintain it, and how to shut off the entry points where he gained access.

The video-assisted Bible Study prepares you for the retreat. The retreat is essential, and a wonderful, safe place to receive healing and freedom from our Lord Jesus!

If you commit your heart and mind to the Lord for this 10- week process, no doubt your life will be changed!

*“For I know the plans I have for you,”
declares the Lord, “plans to prosper you
and not to harm you,
plans to give you hope and a future.
Jeremiah 29:11*
